Modern Slavery Act 2015 Statement

This statement is made on behalf of Peak Waste Recycling Ltd pursuant to the Modern Slavery Act 2015.

Our Policy

Peak Waste Recycling Ltd is committed to ensuring that there is no modern slavery or human trafficking in our supply chains or in any part of our business. Our Anti-slavery Policy reflects our commitment to acting ethically and with integrity in all our business relationships and to implementing and enforcing effective systems and controls to ensure slavery and human trafficking is not taking place anywhere in our business and in our supply chains.

Examples of our policies:

- Human rights policy
- Environmental Policy
- Health and Safety Policy
- Employee Code of Conduct

Our Operations

Peak waste offers a full waste management service around Derbyshire and Parts of the East Midlands. We collect waste from our customers and bring it back to our Material recycling facility where we recycle as much as we possibly can. The remaining material is baled and sent to a Waste to Energy plant avoiding any material going to landfill.

Our Supply Chains

We only source products from reputable suppliers who are based in the UK or in other parts of the European Union.
